## ABOUT US

**YOUSIF H. AL-FARAN AL-DOSSARY SONS COMPANY LTD** is based in the Eastern Province of Saudi Arabia, headquartered in Dammam. It was founded in 1975 by late Mr. Yousif Hamad, under the name, YOUSIF HAMAD AL-SHAHAB TRADING EST, with the main interest of trading and contracting with Saudi Aramco.

As part of rapid growth, the company diversified its business to various aspects of import and trade, namely, FOODSTUFF and AUTOMOBILE SPARE PARTS for MERCEDES & MAN trucks as well as MERCEDES BENZ and BMW passenger cars, both wholesale and retail. Sales outlets were opened in the cities of Al-Ahsa, Dammam and Riyadh.

Later in 2004, the company started its own rubber manufacturing plant under the name "NATIONAL RUBBER SPARE PARTS FACTORY (NRP)" in the 2<sup>nd</sup> Industrial City, Dammam, to meet the growing need of indigenous rubber products within the kingdom. Today, NRP produces customized, quality rubber products for its clients at economic rates and enjoys a prominent position in the market.

In 2010, the company was renamed to YOUSIF H. AL-FARAN AL-DOSSARY SONS CO. LTD and has since been achieving steady advancements and growth in its areas of business operations with growing number of reputed clientele.
